SATURDAY EVENING JANUARY 26

ANOTHER CABINET CANDIDATE .- Judge R. W. Hughes, of the United States court for the eastern district of Virginia who is spoken of favorably in Virginia and other parts of the south as a fit representative of the South in President Harrison's cabluet, is not now nor never has been connected in any degree with any of the feuds or with either of the factions in his party in his State. The judge is one of the few ex con federates who turned republican after the war, who is believed by the people of his State to have turned from principle, and not for pelf, and who therefore has retained their confidence and respect. He was once the editor of the Washington Union, the ac-credited organ of the national democracy, and subsequently of the Richmond Examiner, with which he remained until 'it and Rich mond and the confederacy went down to-gether. From the hour of the downfall of the confederacy the judge has devoted all his energies to the work of reconciling the people of the two once hostile sections, and, shou'd he be appointed, his friends say he will be enabled to accomplish more in that line than would be possible for any other one man .- Omaha Bee

shares of \$1 each. The company is incorporated under the laws of West Virginia, and the stock is non-assessable, and carries with it no personal liability to

the holder. THE GOLD MINING COMPANY (location, Music Mountains, A. T.,) is as sound a mining enterprise as was ever placed on the market, and its possibilities have never been exceeded. Every share should double in value within a year, and they may quadruple, as they are based on property that would ordinarily have been capitalized ten (10) times as great on account of its known richness and promise.

The shares are made small so that any one can invest. Subscriptions for five shares are as welcome as those for hundreds.

Every dollar of earnings will go to the stockholders in dividends, as there is nothing else that they can be used for.

A Wisewell mill, capacity 20 tons per day, with powerful machinery, has been purchased and will be on the ground ready for erection at the mine within the next thirty days.

The solid basis upon which the company is founded and the practical proofs of the richness of the mine have already secured the confidence of the public, and the stock has steadily advanced in selling value Within the last few days bona fide sales have been made AT PAR. There is no better stock on the market for a permanent investment.

For full information in regard to this Mine apply to the SECRETARY, Room 40 Le Droit Building,
